"The voice of the Highlands" since 1882

20 cents

School second in tournament

Haliburton highland's Senior Elementary School's floor hockey team came up with a few big efforts over the weekend and ended up runners up in the annual international floor hockey tournament in Battle Creek, Michigan.

Haliburton took on Minneapolis, Minnesota, in the first game and ran into one of the hottest goaltenders in the tournament.

Minneapolis got on the scoresheet first, early in the third period, but a goal in the final two minutes of the game, by John Teljeur, sent the contest into overtime.

Paul Vuksic gave Haliburton the win in overtime.

Excellent goaltending by Haliburton's Billy Whittaker and a first period goal by Paul Vuksic, were all that was needed to give h.h.s.e.s. a win in the

semi-finals over a team from Battle Creek.

In the finals it was Haliburton against Peterborough Sportland. A crowd of 2,300 were on hand to watch the Peterborough team win the championship for the fifth straight year. Paul Vuksic scored twice for Haliburton while Charles Teljeur fired the other.

For more details on the teams trip to the tournament see story page 7 of this week's Echo.

Only two accidents investigated by OPP

Members of the Minden detachment of the Ontario Provincial Police investigated only two accidents and 48 general occurrences during the week of March 28 to April 3.

A single car accident on Highway 519, north of Haliburton, Saturday resulted in \$300 damage to a car driven by John Mark Schell, 50 of Haliburton.

The police report that the car was southbound at the time of the accident in fog and rain when it entered the west ditch striking several rocks.

The accident took place at 8:40 p.m.

There was \$500 damage to a car driven by Kenneth Walker, 16, of Lutterworth Twp. when it was involved in a mishap last Wednesday.

The accident took place at 9:30 p.m. on the Scotch Line Road.

The police report that Walker was southbound at the time and the vehicle entered the south ditch and struck a tree.

Walker has been charged with operating an unsafe vehicle and failing to wear a seatbelt assembly.

\$25,000

\$20,000

\$15,000

\$10,000

\$5,000

Arena fund

A total of \$8,255 has been collected towards the goal of \$25,000 for the repairs and improvements to the Dysart Community Centre. A donation of \$5,000 was received last week from the Haliburton Rotary Club.

Second only to Peterborough Champions when they travelled to Battle Creek, Michigan, for an international tournament this weekend, this winning Haliburton Floor Hockey team has smiles to match its trophies. The players (front) Steven Dodd, Todd

Emmerson, Billy Whittaker, Craig Mintz, (second row) Coach Roy Scott, Charles Teljeur, Glen Clark, Bernie Upton and Coach Dennis Baker, (third row) Darcy Poole, Stephen Smith, Steven Tripp (back row) John Teljeur and Paul Vuksic.

Homemaker service in county

April 1 marked the beginning of a new service in Haliburton County, and another first for county residents. The Red Cross Homemaker Service is now operating under a combined committee of three county Red Cross Branches, Minden, Haliburton and Wilberforce, the first time that a joint effort has brought about this Red Cross service.

A meeting to introduce the newly formed Haliburton County Red Cross Homemaker service programme was held in Haliburton on March 21. Joint Committee Chairman, Ken Sanderson, extended a welcome to all present and then called on Minden Branch President, Mr. Alan Stott, and Haliburton Branch President Mrs. Lila Austin, to introduce members present from their committees.

Ken, as President of the Wilberforce Branch, introduced members present from his committee. The chairman explained that since this programme is county-wide, it was felt a need to have a representative from each council, to create a closer and clearer working relationship, and an opportunity for our supervisor and representative to meet. Invitations were extended to the welfare administrators of all ten councils and a strong interest was indicated. However, due to circumstances, only three councils were represented. Mr. Darryl Stamp of Dysart et al. Mr. John Hulbig of Lutterworth, and Mrs. Gwen Kennedy of Monmouth were welcomed. Their presence added much to the meeting.

The chairman related how Red Cross was approached in respect to consideration of taking over the responsibility of the service in Haliburton County and the meetings involved with local executive members and Red Cross authorities from Toronto. Final support was received from each Branch and a willingness to assist was expressed by the Public Health Nurses and V.O.N. in setting up the programme.

Mrs. Shirley Mumford, R.N., was chosen from ten applications for position of Supervisor. Miss Nancy Melon, Supervisor of Home Care Programme, Ontario Division, attended the meeting in January to interview and select a supervisor.

A film on Homemakers service, entitled "Something of Value" was shown. It related to the skill and services provided by and expected of Homemakers. The question of funding was discussed. It was explained that a request for a grant of 4,000.00 was made to the Ministry of Community & Social Services, by Alan Stott, and that a reply was received that the request was shelved for the time being. An appeal was made to Red Cross headquarters and \$1,000.00 was advanced on an impressed fund to start the programme. The three branches have assisted in meeting salary and telephone installation for February.

Mrs. Mumford, Supervisor, was called upon and related the progress of the programme as of February 1st when her duties commenced. Shirley expressed appreciation to all that have taken an active part and in particular, to the assistance received from Ontario Division and Mrs. Pat Angiers, supervisor of the Homemaker Service, in Lindsay. A programme to train new homemakers was of priority. A response from advertisements for homemakers resulted in 36 applicants. Shirley indicated that things are very much in readiness to commence April 1, 1977.

The guest speaker, Mrs. Pat Angiers, was introduced by the chairman. Mrs. Angiers is involved with various Red Cross programmes, in Lindsay, and is also Supervisor of Homemaker Service for Lindsay and District. Pat outlined the function of their programme which commenced 3 years ago. She was able to relate the programme in terms of Red Cross, eligibility and training session. Her assistance has been most appreciated. A question period followed in which ones present could obtain a broader knowledge of the service. A short film was shown called "Humanity".

Peter Cottontail leads way in skating show

No Easter-time skating carnival would be complete without an appearance of Peter Cottontail and the Haliburton Figure Skating Club's production on Sunday called "Spring Break" was no exception.

Mr. and Mrs. Peter led the way in the first number of the program that was full

start to finish of imaginative numbers tailored to the skating ability of all ages in the club.

The show provided a mixture of solos, dance and group numbers, featuring, as well, one-sided hockey match between the Chalkdusters and the Bionic Women. The Bionic Women of course, were the Haliburton Figure Skating Club Senior, disguised beneath hockey equipment, but their skating ability could not be hidden and they won the short match hands down.

The senior skaters performed a well choreographed "5th of Beethoven" to wind the program up to the grand finale that featured some fiery effects and a meeting of junior and senior sections of the club.

Presentations were made to Anne Campbell of Minden, coach of the Intermediate and Junior skaters, and to Margaret Powell of Bancroft, instructor of the senior members of the club, for their work with the group over this season. Both also added their talent to the program on Sunday.

The girls they coached showed an enthusiasm and skill that speaks a great deal for the organization.

Sunday's show was performed for a good crowd, including residents of Extensicare. Fred Ballard provided live organ music for the occasion.

Parents and members of the community, who came to see the show, were as well rewarded as the Club members with the results of this winter's skating.

Junior Chorus members of the Haliburton Figure Skating Club, Shannon Curry and Kim Curry, had the honour on Sunday of presenting corsages and gifts to Anne Campbell of Minden and Margaret Powell of Bancroft, instructors with the club who helped club members to a very successful spring carnival.

Small business concerns Scott

Victoria-Haliburton MP William Scott is concerned that small businesses are suffering as the result of a slack economy.

In an House of Commons Debate March 28, Mr. Scott asked Len Marchand, Minister of State (Small Businesses), what plans there are to upgrade the role of small business throughout Canada?

Mr. Marchand said, "The Small Business Loans Act has to be amended by the end of June. After consideration and considerable consultation with the small business community across the country I am proposing what I think are very substantial amendments to the Small Business Loans Act. I think those amendments will make the Act a much more effective piece of legislation."

Sargeant says that rescheduling is part of process

In response to inquiry concerning a rescheduling of officers at the Minden OPP detachment following an investigation carried out by Staff Superintendent James Joley of the OPP Commissioner's office, Minden detachment sargeant Arnold Besteman this week noted that rescheduling goes on all the time.

Rescheduling, "if you want to call it that," Sgt. Besteman said, "if necessary is a weekly or monthly occurrence. If we have a rash of occurrences then we try to get on top of it."

Sgt. Besteman noted that two months ago, one quarter of the weekends were cut from the officers' schedules. Officers used to get a weekend every third and now have one every fourth, the sargeant explained. The men are still working a 40 hour week with two rest days, he pointed out.

"We reschedule all the time, according to need, according to workload, and we deploy our detachment personnel as best as possible to do our job," he stated.

Rescheduling is done here, the sargeant explained. He said that he had no communication with the Solicitor General's Office on the matter. Sgt. Joley did come

to the detachment and "looked at some statistics," Sgt. Besteman said, but the detachment "didn't get any word" following the visit.

The changes in weekend shifts were brought about on a trial basis by increased traffic on the weekends, winter carnivals, Snowarama, and because "the public claims that there are more occurrences on weekends," Sgt. Besteman said.

However, He noted that there have been studies done in the past to try to establish a pattern in the occurrences, but that no pattern could be found. "So to keep the normal patrol is apparently the best thing we can do," he stated.

Eakins attempting to get sales tax lifted from bars

John Eakins, MPP Victoria-Haliburton has attempted to get support in the legislature concerning the removal of the tax on confectionery, particularly the additional two cents on 25 cent chocolate bars.

Mr. Eakins presented the Provincial Treasurer, Mr. McKeough, with a 1,500 name petition, representing proprietors, and their clientele, of small retail outlets in Victoria and Haliburton Counties and northern communities of the Durham Region.

He said, "The owners of retail outlets feel that confectionery items should be exempt from sales tax on the same basis as other snack items, such as potato chips, peanuts, etc."

"In 1973 the federal government recognized the justice of this position and exempted confectionery from federal sales tax. The governments of British Columbia, Saskatchewan and Manitoba, also exempt confectionery from their provincial sales tax. In Quebec the exemption is already about .25 cents so the Quebec consumer does not have to pay provincial sales tax on individual chocolate bars."

"Since many of the smaller stores depend on the sale of chocolate bars, and it is a very important part of their business, it is time that the Treasurer took a look at the feasibility of the removal of this tax."

outlined the four zones in Haliburton County that are covered by five to six men on a shift and are patrolled by a rotating schedule, noting that at times the workload demanded that activities might be concentrated in one of the areas.

Sgt. Besteman pointed out that the detachment has no more men, will not have a satellite detachment in Haliburton, but will continue to give the county the best protection possible with the men on hand.

Dan Dewey of Gooderham this month handed over the bus and bus route that he has driven for 22 years, to Mervyn Barry of Minden. Mr. Dewey has driven three generations of students, according to his calculations, along the roads from Gooderham to Haliburton High School, roads that have seen some major changes since he began. A position in Curry Motors Body Shop, that has given him ideal working arrangements, will continue to keep him busy.

Office closed on Friday

The office of The Echo will be closed this Friday in honour of Good Friday. The Echo will resume regular business hours Monday at 9 a.m.

see page 9

Bill Smiley

It seems that everybody is trying to throw a scare into me these days. And I must admit it isn't too difficult.

We're going to run out of oil one of these days, trumpet the headlines. Not to mention gas, coals and practically everything else that provides heat. I have visions of self, ten years from now, sitting in front of the fireplace, feeding the last bit of the grand piano into it, turning to the old lady and asking, "What now, baby? Go fetch the cyanide pills."

Various ministers of health tell me menacingly that if I keep on smoking, I'm going to die a horrible death; if I don't give up the drink, I'll lose so many brain cells a day that there'll be nothing but a pack of putty behind my eyebrows.

Economists claim that if I don't save some money for my old age, I'll wind up eating tinned dog food. Other economists inform that if I do save some money for my old age, inflation will erode it to the point where I won't even be able to afford dog food.

From one of the revenue department's lackeys comes a stern warning that if I don't produce within 15 days some abstruse document which I already sent them two years ago, something mysterious and dreadful will happen. They will "make an adjustment". I wonder which part of me they will adjust, and how painful it will be. My nose could use some straightening.

If Quebec separates, according to the pundits all kinds of ghastly things will happen: my Bell bill will rise, along with my blood pressure; my arthritis will soar to new heights; I'll have trouble raising a few billion next time I try to float a bond issue in the States; my wife will probably leave me, because I spent the first two years of my life in Quebec; I'll have to deal in funny money, with St. Rene's picture on it; my roof will catch fire because of nationalized asbestos; and there won't be any French on the back of my cereal box. A fate worse than death.

Unemployment is rising, and I am assured that nobody is going to hire an old, lazy, highly-trained guy like me when there are all those young, lazy, highly-trained people around.

They tell me that when the anti-inflation controls come off, there's going to be such an almighty, all-Canadian grab for the buck that even God is going to wake up, grumbling, and wondering what's going on down there. And I'll be left in the lurch because teachers, on the whole, will let themselves be dumped on rather than fight in the streets and be thrown in the paddy wagon.

Even worse things are threatened. George Chuvalo, Canadian heavy-weight champ, having disposed at one sitting of a fat turkey called Pretty Boy Feldstein, might decide to start a comeback and demand a rematch with Muhammad Ali (at the age of 40).

And speaking of turkeys, I have another fear. Toronto, with one of the worst football teams in Canada, and an equally inept hockey team, has now acquired a major league baseball team. It will inevitably be "promising", "threatening", and "scrappy" for the first 10 years. After then, when it soars from last place in the league to second last, it will instantly become the "pennant-bound Toronto Bluejays". So much for sports fears.

Advertisements constantly frighten me. They tell me I have dry skin, hemorrhoids, falling hair, crumbling teeth, bad breath and high armpits. They

Report from Queen's Park

BY MPP JOHN EAKINS

On March 29th, the 4th Session of the Thirtieth Provincial Parliament opened with traditional pomp and ceremony, and the Honourable Pauline McGibbon, Lieutenant Governor of Ontario, read a thirty page Throne Speech which incorporated a response to almost every issue raised since the last election by Opposition Parties, and maintained that "with dependable legislative co-operation" the Government's program can be achieved by the end of the present year.

Highlights of the Throne Speech include the following:

Ontario will complement federal actions intended to create employment, and develop a fiscal policy to stimulate the economy and expand the Province's work force. Government funds will be used to provide incentives to create jobs for young people in programs involving services to senior citizens.

Rent controls, due to expire in July, will be extended until the end of next year. Working in close co-operation with federal and municipal governments, the government apparently intends to increase the amount of rental housing for senior citizens and families of low income. A series of legislative measures are also promised to improve and secure the rights of condominium owners, both as purchasers and as residents.

The government plans to place all new drivers on probation, probably for two years, during which time they would lose driving privileges if they accumulated demerit points for certain traffic offences.

More money is to be given to school boards for French instruction in elementary schools, and more resources are to be made available to teach English to children of recent immigrants and create a heritage language program in schools to help ethnic groups retain a knowledge of their mother tongues and cultures.

An advisory committee on small business is to be formed, making consulting help available to small business through universities and making lower interest rates and larger loans available through the Ontario Development Corporation.

A Commission of Inquiry is to be created to examine freedom-of-information laws to ascertain where secrecy should be lifted on Government files and where limits should be placed on a Government's right to pry into an individual's privacy and store information in computers.

A Royal Commission is to be appointed to probe the administration of pension plans throughout Ontario to ensure that contributors receive fair benefits and protection.

The Workmen's Compensation Board is to be reviewed and benefits adjusted for injured workers to cover inflation. Province-wide single-trade bargaining for parts of the construction industry would reduce contracts from about 200 to 20.

see page 11

Deputy governor

Don Crowe of the Minden Kinsmen Club has been elected Deputy Governor for the Kinsmen Zone C for the year 1977-1978.

Minden Kinsmen, their wives and Kinettes, travelled to the annual Zone Spring Interclub with the theme "Someone to Crowe about." The meeting was held in Peterborough.

Zone C is made up of 12 clubs from Brighton to Bancroft-Cardiff to South Algonquin and Haliburton.

The meeting was called "Spring Thaw" and hosted by the Lindsay Kinsmen and the Colborne Kinettes. It was held at the Rockhaven Motel.

"Many outstanding items of business relating to both Kinsmen and Kinettes are finalized at the convention, but the main item of business is the election of the Deputy Governor for the Zone," a report on the meeting stated.

The report went on to note, "Friday night was a night of activity, with both hospitality rooms of the Deputy Governor candidates, Kin George Lawrence of Cobourg, and Kin Don Crowe of Minden, being filled to capacity."

The business session was held on Saturday with the outgoing Deputy Governor, Kin Bruce Glass, of Lindsay, in the chair.

The club presidents gave reports on the status of their club. There was also a processing of administration changes and amendments to bylaws.

The Deputy Governor was elected after this part of the business session was complete. The election is done by secret ballot with the club presidents voting for their clubs.

"Our candidate, Don Crowe, from Kawartha Dairy handled himself in the true fashion of a community minded individual, dedicated to the service of others. The outcome was very gratifying to the Minden Club in particular and the zone in general, as we definitely did have someone to 'Crowe about!' the report stated.

Saturday night there was the deputy governors ball hosted by the outgoing governor.

It was pointed out in the report that Mr. Crowe is the second deputy governor from Minden in the 20 years the town has been involved in Kinsmen. It noted in the report that Lyle McKnight was a deputy governor in the mid 1960's.

"The best wishes of the Minden Club, as well as the best wishes of all the zone clubs, and communities involved, are extended to Kin Don Crowe, as he embarks on his heavy schedule of administration for the betterment of Kinsmen and Kinettes, and the communities that they serve," the report said.

From the Chamber

by Bob Stinson

According to the recent report in the Haliburton Echo our area is not in the immediate danger of losing our G-65, or "You are now entering" signs. This information has not been communicated directly to the Chamber but a Ministry employee did make the similar statement in Peterborough during the Tourism Seminar the same day the paper was released. If this report is true, and we have no reason to believe it is not, then you may take two points of view. You could say "What is all the fuss about?" or you could say "Because we caused a fuss we have won a confession." We don't feel the battle is really over but we have certainly won a stay of execution. By saying the signs will come down when they become unsightly, only allows us to relax to the point that we realize that we still have some time in order to make our case known. Out of over 60 replies to our last Chamber questionnaire only 2 respondents said they were not concerned with this issue.

In our preoccupation last week with telling you about the Sportsman Show we forgot to mention that our new Haliburton Directory was hot off the press just in time for the show. The new directory sports a new colorful folder featuring a Haliburton sunset. The interior of the booklet is similar to last years but is up to date listing well over 300 current Chamber of Commerce members. We are presently busy distributing them both inside and outside the County and should you wish to look one over you should be

\$57,000 for harbours

Bill Scott, M.P., Victoria-Haliburton reports that \$57,000 will be expended in the riding during the coming fiscal year under the Small Craft Harbours Program.

This program, administered by Environment Canada in conjunction with the engineering staff of the Department of Public Works, seeks to upgrade public facilities at government wharfs throughout the area. The breakdown of actual work expected to be done in coming months is as follows. Washago (wharf repairs and float replacement) \$10,000.

Paudash Lake (float replacement) \$12,000; Mount Julian Stoney Lake (wharf and harbour repairs) \$25,000; Bobcaygeon (wharf repairs, concrete work and approach repairs) \$10,000.

Text book was prepared in area

Haliburton has long been famous for such things as its rugged outdoors and the tourist business but now it is also famous for its mathematics.

Contemporary Canadian Business Mathematics has recently been published by the firm of W. B. Saunders Company, of Toronto.

The contributing writers chose as their publishing name The Haliburton Group to recognize the county where much of the manuscript was prepared.

A prominent writer in this textbook is Professor Bruce Conchie of The University of Toronto. Bruce and Marion Conchie are longtime summer residents of Moose Lake. This is the second textbook featuring Professor Conchie, and a third manuscript is scheduled for completion this summer. In the studio beside the family cottage on Moose Lake, is a typewriter that obviously is kept very busy!

Two teachers of Haliburton Highlands Secondary School have had significant roles in the manuscript. Ian McCollom is a major contributor. While at the University of Toronto, Mr. McCollom was a student of Professor Conchie, and has continued the association first as a researcher and now as a co-author. Sharon Rutledge was the official mathematics reviewer for Professor Conchie and Mr. McCollom and was responsible for this aspect of the final draft.

Others of the writing group are W. Bailey of Toronto and Dr. Ignacio Bello of Tampa, Florida. Both are professional colleagues of Professor Conchie.

The textbook is designed for use in senior high school classes. It is practical mathematics. A major portion of the book is directed to its underlying theme which is to return attention to the mathematics of everyday life. Chapters cover the consumers understanding of the mathematics of topics such as retailing, insurance, car purchase, savings and investments. The concluding chapters advance to mathematical statistics.

The text is modern and attractive. The background colour within the text is spruce green, and the cover is green and silver. To quote Ian McCollom today, "true Haliburton colours".

With his desk and monitoring equipment now arranged and accessible, Rob Young of Minden doesn't need to leave his wheelchair to operate an adventuresome new business, Highland Communications. Rob has well satisfied customers already on his lines and makes a very real addition to businesses in the area with his telephone answering and alarm monitoring.

Obituary

Community suffers loss of resident

The Minden community suffered a loss on Monday, April 4, when John James Hewitt passed away suddenly at his home in Minden.

Mr. Hewitt was in his 70th year. He leaves behind his wife Cora, son Lewis of

Cantata, daughter Eleanor (Mrs. T. Frank Addison) of Willowdale and six granddaughters.

He is also survived by his brothers Alec, Ernest and Earl, and by his sister Minnie (Mrs. Stewart Dawson).

A funeral service for Mr. Hewitt will be held Thursday at St. Paul's, Minden, at 1:30 p.m. He is resting at the chapel of John Welch and Son, Minden, until noon on Thursday.

Interment will be at St. Steven's Cemetery, Boshkung. A Masonic service will be held this evening at 7:30 p.m.

Mr. Hewitt began his life at Boshkung Lake in Stanhope Township, in May of 1907. Between the years of 1925 to 1935, after he had finished his schooling in Minden, Mr. Hewitt worked as a mail carrier to the Hall's Lake Post Office.

He and Cora Cumming were married in 1935, and the two opened their own business at Buttermilk Falls, operating the first Post Office there for some years.

In 1945 the Hewitts moved back to Minden and Mr. Hewitt worked at carpentry, construction and assessment for the Township, before taking up an executive position with the then Department of Lands and Forests.

A spinal injury in a 1960 truck accident left Mr. Hewitt partially paralyzed but in no way diminished in mind, quick humour or kindness.

Mr. & Mrs. Hewitt have lived for some years in Minden in the winter months, but still have land at Hall's Lake, their summer residence.

Mr. Hewitt was a well known addition to both Minden and the community in Stanhope and will be sadly missed.

Rob Young

In business for himself

Rob Young is now in business for himself. A new venture is always something of a personal triumph, but for Rob, who has been in a wheelchair since 1974, the newly established answering service and alarm monitoring service, Highland Communications, which he operates from his Minden home is a success for a lot of people in the background as well as a strong move on his part.

The final addition to Rob's equipment came this week, with the installation of a corner desk that is of the right height and arrangement, constructed by his uncle, to enable Rob to place his chair within reaching distance of his electronic systems.

Rob now monitors telephone calls for four businesses, and with minor adjustments, has room for 20. His alarm monitoring is done with equipment belonging to Alarm Systems, and can accommodate a limitless number, Rob says.

Clients are presently hooked on to a device that sounds an alarm in the Young home and flashes a three digit customer number plus a code digit indicating which of a possible nine types of alarms has been sounded.

The system monitors, burglary, heat loss and fire, among others on the system, that the OPP, Rob reports are pleased with and would like to encourage.

Rob also monitors VHF, a one channel radio, similar to CB, but of greater range and fewer operators. This, Rob points out, makes the VHF ideal for business purposes.

With his VHF unit, Rob can speak to friend in Peterborough Ross Freer of Odyssey Communications, who helped Rob get started

on the answering service and monitoring.

So far, the business is a great success. Rob reports with justifiable pride that the first businessman to sign on to the Rob's Highland Communications answering service joined on the first possible day, and was shortly afterwards able to take a holiday, the first in years.

Calls coming into Highland Communications are recorded and written down, Rob explains, making the system virtually foolproof.

Thanks to a year's rehabilitation training at the Lindhurst Hospital in Toronto, Rob is able to operate a very delicate piece of equipment given to him by the Vocational Rehabilitation group. This control, called TOSC (Touch Operated Selective Control) is a vital part of the arrangements at Rob's desk.

Without the full use of his hands, Rob is able to operate the recording system by means of the control, set at forehead height. The TOSC responds to different

touches of Rob's head, slight taps or pressure to a certain part of the sensitive control to set the recorder whirring.

The alarm monitoring system, 24 hours a day, prints out the day, time, code and customer number

code and customer number whenever an alarm is sounded. Rob relays the call to the appropriate emergency service.

The answering service operates from 8:00 a.m. until 10:00 p.m., which Rob admits will tie him down as any business would. Never-

theless, he is pleased to be home, having spent time in the past at the Toronto hospital only able to come home on weekends. Even that year was not bad, he says, since he considered himself lucky to be able to come home more often than most.

People have rallied behind him since his accident, when a broken neck meant that he became one of the most difficult rehabilitation cases at Lindhurst. He explains that because of his condition, he was chosen as the

Fully Licenced

489-2211

Decked out for Easter in the Park these members of the Minden Figure Skating Club's junior chorus line showed parents and other enthusiastic

members of the audience just how well they can skate after only one or two years with the club. Minden's carnival was held Sunday.

St. George's

Church prepares for Holy Week

St. George's, Haliburton, prepared for Holy Week with a drama of the life of "The Other Wise Man, a fourth Magi who, from the time of the birth of Christ until His death on the cross, searches after Him and serves Him without knowing, living a Christian life until he is finally blessed with seeing the Lord he has been following, even as they both die.

The play has four scenes, linked by the narration of "The Deamer" (Eleanor Cooper) who sees, at times as in a vision, the life of a young and hopeful Magi Artaban (Walter Alrutz) who sells all that he has to purchase three gems, which he hopes to present to the newly born king.

Having seen the eastern star, despite the discouragement that he receives from his brother, he leaves on his quest with his father's blessing, missing the caravan that carries the other three wise men across the desert because he stops to help a sick man. He must sell the first of his jewels to help the man but continues on his way accompanied by his servant Beor (Paul Madden).

As Artaban goes, spending his life serving others while he searches for the Christ in Jerusalem and in Egypt, he grows more and more discouraged with himself, while the audience grows more and more aware of his kindness and commitment.

It comes almost as a surprise that he feels, when he reaches Jerusalem as an old man, that he has failed in his life. The message that he is finally given by the lifted up Christ reveals to him that his life has been truly worthwhile and affirms

what the audience has grown to realize.

He learns that he has been seeing Christ in each person whom he has helped and dies with God's final blessing.

The play is very effective and the players make

excellent use of the church setting, which is usually hard to adapt to a performance.

The production gathers strength as the audience, with their Christian perspective, realize that Artaban is coming closer and

closer to Christ even though he feels so far away.

The final scene, in Jerusalem, on Good Friday, combines simple but moving stage effects to give a very real sense of the earthquake

see page 10

The cast, crew and director of St. George's Lenten drama, The Other Wise Man had reason to be proud of their success as they played Saturday to a good house. The drama was strongly presented and will

be shown again tonight at St. George's. It is an Easter message which, like this Holy Week, builds to a final revelation.

BUILDING CENTRE SPOTLIGHT ON SPRING!

It's time to enjoy the great outdoors again. No more sitting inside on Saturdays watching tv. Let's start working off some of that winter lethargy and start things moving. Everyone likes to dig in and help get spring growing. We at Peterborough Lumber are as ready for spring as you are. We're stocked with everything you'll need to make your lawn green and beautiful, your flowers and vegetables healthy and attractive. Stock up now!!!!

Echo editorials

Walking into a new world but old prices

On a recent visit to Toronto we had our first opportunity to view the new Eaton's Centre. Our first impression as we walked through the main entrance at Dundas and Yonge was that we were walking into a new world. The architectural work that went into this splendid new centre is a sight to behold. In our opinion it would take two full days to really see the new centre and the many malls that are included in it.

After returning home many things about the weekend we had spent there stuck in our minds. It is our opinion that in most cases you can buy just as cheap in Haliburton County as you can in either Lindsay, Peterborough or Toronto. Sometimes we think that because we visit a larger centre prices are going to be cheaper but this is just not the case.

While in Toronto we took in a movie which we will not at this time mention the title. It was a splendid motion picture with plenty of action and it was based on humour and comedy. The only drawback to the movie was the fact that the language was just terrible throughout the entire show. This movie could have been made without one swear word and it would still have been outstanding. Hollywood seems to have it in the back of their minds that they can't sell a movie unless it contains plenty of violence, sex and dirty language.

One thing in Toronto that was really noticeable was the fact that the Toronto Blue Jays who will be playing their first season in the American League are getting plenty of publicity. Everyone you talked to seem to be excited about the team and the hotel lobbies all have displays on the Blue Jays. Most stores are selling everything from coffee mugs to lamps with the Blue Jays crest imprinted on them.

Worthwhile work

The Haliburton County Livestock Producers' Association's attempts to get a veterinarian for the area appear to be well on the way to success.

The need for a veterinarian in the area, to handle the farming community, is very real and the newly formed association is displaying the need in the proper fashion.

The organizers of the group have gone about the project in the right way, firstly, by selling their own members on the idea and secondly, by attempting to sell the government on the idea.

What has to be remembered though, is that if a vet is found for the Haliburton County area, the members will still have to pay for the service.

The government subsidizes the work done by the veterinarian but the government is not paying the full shot.

Nobody should have the understanding that this is a free service supplied by the government for the people.

The association, as new as it is, appears to be accomplishing something worthwhile for Haliburton County.

Maple Syrup Festival

The residents of Monmouth will be putting on another one of their fine get-togethers, this weekend when the first Wilberforce Maple Syrup Festival is held.

The festival is one of the many events the people in the community have held since word was first heard that repairs were needed to the arena.

Now it is much more drastic than just repairs needed. Now there is a need for a new arena. The cost will be high, but the people of Wilberforce and Monmouth have the right ideas. They have a reputation for raising money and having a good time in the process.

No doubt the Wilberforce Maple Syrup Festival will be a success and the community's attempts to raise money to build an arena will also be a success.

Haliburton Highlights

BY CREIGHTON FEIR

The March school break is over and the teachers and students are back at school. A large number of citizens from Haliburton took this opportunity to take their families on a holiday down south. At one time it was a big thing when someone went to Florida, now it seems that everyone goes.

We were certainly pleased to hear the second phase of the sanitary sewers for Haliburton will be started in June or July.

On Thursday, May 19th, at 2:30 p.m. the members of the Haliburton County Social Planning Council have been invited by John Eakins M.P.P. to tour the parliament buildings in Toronto.

The lights were out on several streets in the village last week. This seems to be a common occurrence and it gets to be quite annoying to a great number of people.

At the March meeting of the Haliburton County Social Planning Council held at the Legion Hall in Haliburton on Thursday, March 17th the film "Children in Peril" was shown, and afterwards a panel discussion took place, followed by a question and answer period and then the Rev. Don Nicholson thanked those taking part.

Spring must be here. We noticed some young people playing tennis at the courts at the Rotary Beach at Haliburton, last Tuesday afternoon.

York Street in Haliburton is one street that needs some work done on the road. It's a real

mess full of pot holes and it should be re-surfaced.

Haliburton's First Pirate's Bonanza days which started on March 30th will continue on through until this coming Saturday, April 9th. If you haven't tried your key in one of the treasure chests at one of the participating business places in Haliburton you will be missing out on some very valuable prizes.

The next big event coming up is the Wilberforce Maple Syrup Festival which will be held at the Lloyd W. Watson Memorial Centre and Park on Saturday, April 9th. There will be a maple syrup demonstration from 9 a.m. to 3 p.m., sugar bush tour, maple syrup candy available, maple syrup for sale, pancakes and sausages, flea market, local handicrafts, gifts and white elephant tables, bake sale. Festival dance in the evening. All proceeds are for the new arena fund. Plan now to attend.

The next meeting of the Haliburton County Social Planning Council will be held on Thursday, April 28th. It will be held at the Lakeview Centre in Haliburton. There will be a speaker from the continuing education program at Sir Sandford Fleming School, plus Jane Northgrave from the Outreach program.

On a recent trip to Toronto we certainly noticed that the Toronto Blue Jays who will be playing in the American League are getting plenty of publicity. In some of the stores they are selling everything from tea cups to lamps with the Blue Jays emblem on them.

Editor's notebook

BY JIM BADGLEY

There won't be a lack of work in Haliburton County this summer.

With both Minden and Haliburton Villages getting sewers one would think there will be lots of jobs and probably more money spent in the towns.

As well as the sewer projects there will also be money allocated for students works projects. Nobody seems to want to talk about the certainty of these projects with anyone but it seems that Anson, Hindon and Minden and Dysart et al will both get funds to give a few students work.

Last week I had the honor of interviewing Roy Brohm and learning a great deal about his political career.

It would take some checking but I am doubtful that there are very many municipal politicians in the province with more years' experience than Roy.

During my years in the newspaper business, I

ran into a municipal politician with 25 years service. That person was claiming that he was the longest standing municipal politician in Canada. Well Roy is going on for 22 years in service and this person with 25 years was defeated in the last election so Roy has moved up at least one more notch on the list.

Municipal council's in Haliburton County are generally well run organizations with knowledgeable people in charge. The members are quite capable.

I wonder though, why more young people are not looking for seats on local governments.

There seems to be a general attitude that the fellows that are there have been doing a good job so let them continue. Well most of the fellows have done a good job but I am afraid that to be capable of sitting on a municipal council is a long grooming process and there just aren't that many young people being groomed.

Letters to the Editor

Dear Jim:

In reply to your letter in the March 30th edition of The Echo regarding Sunday sports and Sunday hockey games.

You say this have a serious effect on family life and I say in this town it is part of family life. Parents coming to the arena to see their son play hockey is togetherness and that is what it is all about.

There are maybe 4 tournaments a year when it is necessary to run games through Sunday. Len Salvatori and a host of others put in a lot of time and planning into these tournaments and I am sure the good Lord will forgive us for what we are doing.

In short Jim, I suggest that those who want to go to Church on Sunday, they do so, and those who want to watch a hockey game or their son play, so be it! After all this is 1977!

Yours very truly,
Bryan Abbs

Coach-Manager &
Supporter of Minor Hockey
[Sundays Included]

Dear Editor:

Further to our first notification concerning Gledhill Public School's 60th Anniversary Reunion, we thought we'd just bring you up to date on some of the arrangements.

"Open House" has been planned for Saturday, May 14th commencing at 1:30 p.m. with brief official ceremonies taking place at 2:45 p.m. A large cake will be cut and served, during which time our former students and teachers will be able to renew old friendships and reminisce, in rooms set up for each decade. Items of memorabilia have been submitted and will be on display May 14th. Coffee and Tankard mugs have been designed to commemorate the reunion and will be available at that time.

We have heard from about 800 former students and teachers; from the Maritimes we have located a relative of Prof. Edwin Gledhill after whom Gledhill Ave. was named, hence Gledhill School; the Prairies and British Columbia have contributed, with some of the former students being in the original portables before the school was officially opened; Ontario has given us two families of three generations of former students.

Names being submitted include; Mort Fellman - honorary life member of the Canadian Managing Editors Association and former National Newspaper Award winner for Editorial Writing (1955); Theresa Stratas - internationally known opera star; Bob Hesketh - well known radio personality; Reg and Herbie Fisher - prominent jockeys in the early 30's; to name just a few - some of whom we are trying to locate! An impressive list to begin with, but we are still trying locate many others.

All in all it would appear as though this event is headed for a 'success', but without your continued support - we can not be sure.

Thanks for what you have already done for us, please let it continue!

With best wishes,

Arthur B. Kelly,
Publicity Chairman,
691-8375

The Ontario Federation of Anglers and Hunters is currently entering its 50th year of Conservation in Ontario. To celebrate this event we wish to publish a history book and would appreciate receiving material, facts and figures from past members, clubs and associated groups.

Anyone with information on past history on the O.F.A.H. or Conservation in Ontario should send it to:

Ontario Federation of Anglers & Hunters
P.O. Box 1269,

As others see it by Charles Plewman

This is a time when the people of Canada should be heard. It is not enough to leave the Quebec issue to our politicians to decide or to hope, as they have for 10 years, that somehow the Quebec problem will go away. Sooner or later it had to come to a head and now it has. It is no exaggeration to say that what happens now and in the next 12 months will determine the fate of Canada. What we need is a tidal wave across Canada for CONFEDERATION - a NEW Confederation. If we can resolve this problem of Quebec seceding, we can go full steam ahead.

Here's how one ordinary citizen, who has given the matter considerable thought, feels:-

I am a Federalist - I believe that the French-Canadian will be better off under Confederation than he would on his own, provided the rest of us are wise and intelligent enough to recognize the French fact in Quebec and are willing to grant the necessary accommodations.

What does this accommodation include?? - Radical changes to the B. & N.A. Act, possible repatriating and then discarding the B. & N.A. Act for a brand new constitution, one in which we would all share. After all, there is nothing sacrosanct in a constitution that hasn't changed for over 100 years. This is now a different Canada!

What other changes do the French-Canadian desire in his quest for more French culture and language? These should be carefully considered.

This and That

BY JENNIFER WOODS

PART II

Last week I introduced the book, *The Organic Baby Food Book* by Ann Thompson to you. It contains so many interesting recipes for your baby. Here are a few more:

PLEASING PEAS

½ cup of milk
½ cup of peas (fresh if possible)
¼ cup of grated Gouda cheese
1 tea heaping tablespoon yogurt.

Heat milk in a saucepan and add the peas. Stir well, cover and simmer about 8 minutes. Do not allow milk to boil. Remove from heat and add cheese, let stand until lukewarm. Pour into a blender and add the yogurt. Puree to a smooth texture. Makes on large serving. Great for babies from 6 months on. Good for lunch or dinner. It contains protein, calcium, phosphorus, potassium, niacin, vitamins A, B and C.

BABY CUSTARD

6 egg yolks
½ cup honey
¼ teaspoon salt
3 cups scalded milk
1 teaspoon vanilla
nutmeg

Beat egg yolks just enough to blend them together evenly. Stir in honey and salt. Add milk and vanilla and beat continually with a fork. Pour into 6 buttered custard dishes and sprinkle with nutmeg. Set cups on shallow pan and add about an inch of water. Bake for 45 minutes at 350 F. Let it cool before serving. This is a great treat for a baby and just as good for Mom. It contains protein, calcium, lecithin, phosphorus, potassium, vitamins A, B, and C.

CARROT-BERRY CONCOCTION

1 large grated carrot
2 tablespoons yogurt
3 tablespoons cooked Cranberries
½ ripe banana

Combine all the ingredients in a blender and puree to the texture of a light pudding. Serve from 6 months on and it contains protein, iron, calcium, phosphorus, potassium, sodium, Vitamins A, B and C.

I do hope you try some of these recipes and enjoy them. When you make your own foods for your baby you increase the nutrition and save your money. Those first three years are the most important for your child's physical and mental growth. Let's give them the best.

Lindsay Presbyterian U.C.W.

The annual meeting of the Lindsay Presbyterian U.C.W. was held at Cannington United Church, Wednesday, March 30, convening at 10 a.m. with Mrs. Gordon Gilson, of Pleasant Point, the president, in the chair.

The opening hymn was, "Thou whose Almighty Word,"

Mrs. John Robertson, Cannington, graciously welcomed the ladies to their church.

Mrs. Gilson read a short meditation on Mary and Martha at Bethany and led us in a paraphrase of "The Lord is my Shepherd."

Mrs. John Coburn, Fenelon Falls, Treasurer of the Presbyterian, gave the Financial Report.

The Objective for 1977 is \$27,000 to be raised for the Mission and Service Fund.

Mrs. Gordon Gilson of Valentia read the Roll Call.

Mrs. David Lowndsbrough, Oakwood invited the 1978 Presbyterian Annual to their church.

On April 12 and 13 the Annual meeting of Bay of Quinte Conference U.C.W. will convene in Campbellford United Church.

The next Executive Meeting of Lindsay Presbyterian U.C.W. will be on June 6th at Fenelon Falls United Church at 10 a.m.

Mrs. Wm. Jackson, Reabro presented some of the literature from her display.

Suggested Study Kit is "Canadian concerns - Christian Response."

Mrs. Clayton Hewie, Cameron, gave a report on the Task Force on "Alcohol and Drug Abuse."

Mrs. Sam Brandsma, Lindsay, announced that the School for Leaders is to be at Camp Quin - Mo - Lac on September 9-10-11 in 1977. The Theme will be "Understanding Our Faith", and the speaker, Rev. Max Freeman, of Kingston.

Mrs. Wm. English, Cannington, ably introduced the speaker of the day, Miss Audrey McKim B.A. Miss McKim is a graduate of Covenant College and spent 10 years in East Africa, thereby gaining much experience for her position now as Associate Secretary of the Division of World Outreach of the United Church of Canada.

Mrs. McKim, expressed her joy when Dr. Betty Bridges and Nurse Edith Radley were released from prison in Angola and returned to Toronto after three months of privation and mental suffering.

Our prayers are requested for Dr. George Burroughs who has returned to Dondi, Angola.

Miss McKim remarked that we are in partnership with need countries overseas and we endeavour to fill their needs when asked for the various positions such as evangelists, agronomists, surgeons, obstetricians, nurses, public health nurses, etc.

Miss McKim told us that Pastor Elijah Lumbama of Zambia, accompanied by his wife and 7 children spent 3 years in Hamilton and Toronto area. The church in Zambia was overjoyed to have a share in "World Mission" by "sending" as well as receiving!

Miss McKim asked "Would you wish to have a Missionary from another country come to Bay of Quinte Conference?" A 5 minute "Buzz" session followed.

Mrs. Seldon Parker, Oakwood, conducted a very impressive "In Memoriam" service.

Mrs. Wm. Kennedy, Omeme, spoke briefly on the committee to the Handicapped. What our Church can do for the disabled.

After a delicious luncheon served by Cannington U.C.W. and the Presbyterian ladies in their church, the afternoon session convened.

Mrs. McPhadden, Cannington, favoured us with beautiful music on the Organ, as a prelude.

Sunderland U.C.W. presented a fine Devotional Service on "World Mission" basing their meditation on 1 John 3:11-24.

The Offering was received and dedicated by Wilfred, U.C.W.

Miss McKim again spoke. Her theme was "The Lack of Human Rights in our World Today".

Miss McKim displayed a Victory Shawl made by the

women of Korea, whose husbands or sons are in political prisons.

There are thousands of political prisoners in South Korea. There is no freedom of the press so the people themselves do not know about the happenings. Relatives were allowed, this winter, to take thermal underwear to their loved ones because there is no heat.

A Film maybe obtained from the Division of World Outreach re Human Rights in Korea.

In Brazil the people are suffering terribly, actually being cruelly tortured in many, many cases.

The situation in Uganda is very, very critical. All Christians are in danger.

We can pray for them. We can support our governments intention to support

an International Inquiry into human rights violations in Uganda - by writing letters to Parliament Buildings, Ottawa.

We can contact (or join for \$10.) Amnesty International, 2101 Algonquin Ave., Toronto.

Our moderator urges us to acquire a Global Consciousness. We need to let the suffering Christians know that we are standing behind

them.

Mrs. C. Gillias, Cameron, thanked Miss McKim for her challenging addresses.

A beautiful solo "Only a Prayer Away" was sung by Mrs. Ray Simpson, accompanied by Mrs. Walter Russell, both of Woodville.

Mrs. Deanne Wellman, Omeme, presented the following resolution:

see page 11

H·H·S·S·News

by Becky Davidson

Due to our successful citrus fruit campaign, blazers have now been ordered for all senior band members. The junior band will compete April 6 in the North Hastings Music Festival in Bancroft.

Congratulations and best wishes to Mr. Frank Wallace and his wife Mary who had a baby boy, William, March 31st.

Spanish classes are being taught once a week by Mrs. McLean.

H.H.S.S. staged another successful dance on Friday, April 1. Music was provided by the group "Cirkus".

This week's 50-Mile Club results are Miss Koehler - 36 miles, Mr. Brohman - 28 miles, Mr. Oakley - 25 miles, Karen Bell - 20 miles, Wayne O'Neil - 19 miles, Mr. Lerpiniere - 18 miles, Barry Devolin - 18 miles.

HALIBURTON IGA MARKET

County sports

BY JIM BADGLEY

Last week I was singing the blues of an editor, who suddenly finds himself in the in between sports season. Most people must have agreed with my problem because not many came up with new sports for the paper to cover over the next couple of weeks.

One person did have an idea though. During the off season, when most of us cannot be spectators because there just isn't much to watch, we can become participants. By participants I mean getting out and making ourselves a little more physically fit.

Anyway, there was this person who called the office last week with the suggestion that the newspaper somehow get out and feature people who do participate in things like jogging, walking or running.

The suggestion is well taken, but The Echo will need the help of the people who are involved. Perhaps some of you who are involved in this type of activity could drop us a note or give us a phone call and tell us just what you have accomplished over the past couple of days.

This is the week that Ontario really gets major league baseball and with it the excitement of hot sunny afternoons munching on popcorn and sipping on nothing stronger than cola.

The arrival of the Toronto Blue Jays will cause more people in Ontario to become interested in baseball.

One thing that we will likely see is a greater interest in the sport by the younger people.

Perhaps now is the time that the many communities in Ontario start setting up programs to get youngsters involved in minor league baseball.

Little League Baseball will make a comeback in the province and it will be up to the people in the various towns to see it gets going in the right directions.

COUNTY ECHO SPORTS

The Minden Tri-County Midgets came up with a win 5-1 Thursday night but lost two games over the weekend to lose their playoff series. The Midgets faced the team from Cannington in

the finals of the Tri-County League. The team outlasted the Cannington team in coming up with the win but weren't as successful Sunday in the finals when they lost 1-0.

Cannington wins

Minden Midgets lose finals in Tri-County hockey action

One early scoring success in Sunday night's Tri County Midget Playoff match gave Cannington the edge over Minden in the final game of

the four out of seven series. Sunday's game ended 1-0 as Minden players fought until the clock ran out to

even the score. In spite of Minden's pressure on the Cannington net, increasing as the third

period drew to a close, the game ended 1-0 for Cannington.

Minden was handed some last minute penalties, with seconds remaining in the match, that made a last minute score more difficult, even though Minden goalie Keith Harrison left the net to put more men forward.

Cannington's Bruce Neil scored the only goal at 10:43 of the first assisted by Eric Cotton.

Minden took a total of 20 minutes on eight penalties, three in period two and five in period three. Cannington totalled 13 minutes in the box.

Cannington, now champions, didn't fare well on Thursday as they came to Minden to be beaten 5-1.

Minden opened the scoring at 12:20 of the first, as Ed Williams connected from Kirk Bull.

In the second period, Minden again took the only goal of the frame, with Warren Mann scoring at 13:22, assisted going to Allen Northey and Rex Anderson.

In the third, Cannington scored with 1:10 gone, pulling the score up to 2-1. Minden waited till the last minutes of the game to clinch the match with three fast goals.

Kirk Bull scored at 13:26

from Kim Hamilton and Ed Williams. That play was followed quickly by Hamilton's first marker assisted by Warren Mann. Hamilton put in a second goal, the fifth for Minden, with seconds left in the game, assisted going to Steve Crowe and Warren Mann.

The game put Minden ahead in the series by three games to two. Saturday, Minden travelled to Cannington for the sixth game of the series, and the count was tied again by a Cannington win 5-3 over Minden.

Scoring began in the first period as Cannington took a goal at the 5:30 mark. At 8:24, Minden's Kirk Bull came back with a shot from Stuart Russell and Ed Williams to even the game.

The second period went to Cannington, as three goals for the 4-1 lead. Minden broke through again at the beginning of the third frame, Steve Crowe scoring unassisted at 3:03.

Less than a minute later, Cannington put in their final shot, and Minden fought until 12:21 before Stuart Russell connected from Steve Crowe and Grant Porter to end the game 5-3.

Minden took 29 minutes in penalties to Cannington's 19.

Hall-e-Hawks and Jets were winners last week

Spring cleaning time is not over yet at the Jets and the Hall-e-Hawks cleaned up on the short handed Floozies and Fonzie's in Wednesday afternoon Bowling. The Sooners continued their winning ways by taking 5 off the Flyers team, standing with two more weeks to go shows the Sooners out front 42; Jets 34; Floozies 26; Fonzie's 25; Hall-e-Hawks 24

and Flyers 15. Wes Stata came out first with 712 (282, 222) with wife Ev right behind with 682 (272, 215); Linda Morrison 623 (249, 213); Gerry Pinch 623 (215); Sandy Barr 622 (244, 228); Art Beatty 621 (229, 209); Wendy Kirkpatrick 608 (231).

Norma Parish had top single 227; Marlene Nimigon 218, 215; Shirley Hamilton

218; Harry Henderson 213; Millie Beatty 209; Ethel Gainforth 202. Get well soon, Alma Stewart in the Toronto General Hospital.

Kay Barry Leads way in bowling

In Thursday bowling Kay Barry led the way with a high triple of 649.

Lillian Gorveatt rolled 646 and Flo Henderson was third with a 636.

Jean Carr had the high single with 250 while Lillian Gorveatt came up with a 245 game.

Kay Barry was third with 240 followed by Flo Henderson with 215; Iris Taylor 214; Grace Downy 234, and Betty Yateman 206.

Bruce Medcalfe Sr. had 628, with 212, 170 and 246; Bill Cowan, 616, 167, 182 and 267; Pearl Foster, 607, 173, 189 and 245; and Millie Beatty, 601 with 218, 189 and 194.

High singles came in from Harry Hobden, 230; Danny Harding, 229; Lillian Gorveatt, 216; Eva Piper, 214; Neva Hobden, 206; and Gail Medcalfe, 205.

Yateman takes honors

Jack Yateman took the top honors in the high triple standings of the Tuesday Night Combines March 29, adding up 657 with games of 243, 225 and 189.

Art Beatty rolled in next, with 220, 243, and 189 for a triple of 652.

Jim Foster bowled 208, 212 and 226 for 646, and Bob Patton scored 161, 259 and 221 for 641.

Hornets clinch win

Harry's Hornets clinched a win for the third series by taking five off the Angels and the Dynamo's did the same to the Avengers in the Gassers showed some of their old winning form by blanking Ron's Rollers.

Fred Cox was high bowler

Fred Cox was high bowler with 747 (271, 239); Ronnie Robinson 708 (246, 236); Wes Stata 691 (281, 215); Cliff Burke 690 (273, 246); Walt Ackerblade 647 (230, 213); Dan Harding 641 (245, 219); Marnie Robinson 637 (253, 206); Barb Fountain 618 (245, 213); Ann Everall 613 (230, 205).

Single games over 200: Ab Cox 230, 225; Harry Henderson and Marlene Cook 223; Garth Henderson 218; Harold Kirkpatrick, Brenda Cook & Ev. Stata 216; Shannon Patterson 210; Ed Cox 203 and Deb Harding 201.

Curling action

The ice is gone in the old curling rink - the playoffs are over, and the last 'spiels are over - so another excellent season of curling is over - and maybe the last year for the old rink, which has seen some great curling and some keen competition in its 32 years.

The season's end banquet will be held April 16 - Saturday at the Legion Hall, with cocktails at 6:15 - dinner at 7, presentation of awards, and dancing from 9 p.m. Please get your tickets early. Tickets are available at Stans Texaco, and from Anne Hopkins at the Bank of Montreal.

Following are the Trophy winners and their rinks.

TROPHY WINNERS

HALIBURTON CURLING CLUB - 1976-77
LADIES - 1st schedule - George Beall Trophy
Jean Collier (Skip) - Phyllis Woodcock - Doris Winter - Janet Young

Play-offs - Same

2nd Schedule - Alleen Curry Trophy
Karen O'Connor - Anne Hopkins - Debbie Woodcock

H.H.S.E.S. team second in tourney

The H.H.S.E.S. Floor Hockey Team, with their coaches Dennis Baker and Roy Scott, travelled to Battle Creek, Michigan, on Wednesday night to take part in the International Floor Hockey Tournament which took place on Friday and Saturday, 1st and 2nd of April. They emerged as Runners Up, beaten only by the reigning champions from Peterborough.

The boys, and their coaches, are to be commended on their excellent showing. This was only the second time that a team from Haliburton has been entered in the Tournament, whereas Peterborough have taken part for a number of years and have won the title five years in a row.

Before the trip the boys held a Skate-a-Thon and raised money to cover their expenses and jackets. They would like to take this opportunity to thank all those who contributed to this.

The players left Haliburton at 7 p.m. on Wednesday and travelled to Peterborough. At midnight they boarded busses with two Peterborough teams (1 boys and 1 girls) and reached Battle Creek at 9:45 a.m. on Thursday. In Battle Creek they were billeted with families of local players and were treated royally. Prior to their first game, on Friday, their American friends took them to various places of interest and some boys even attended school. They left Battle Creek for their homeward journey at 10:00 a.m. on Sunday, and arrived in Haliburton at 9:15 p.m.

Four teams represented Canada in this Tournament - Peterborough, Windsor, Agincourt and Haliburton. American teams were from Minneapolis, Lima, Lansing, Buchanan, as well as four teams from the Battle Creek area.

Haliburton met Minneapolis, Minn. in their first game of the tournament. Minneapolis had come into the tournament with an undefeated record. The two teams went scoreless through the first two periods of play, with the Minneapolis goaltender making spectacular saves against the Haliburton shooters. Early in the third period Minneapolis went ahead on a goal scored by Mike Flaherty. Haliburton came back with a goal in the last two minutes of the game, by John Teljeur, to force a sudden death overtime period. In the overtime period it was Paul Vuksic scoring to give Haliburton the victory, which was described by the press in Battle Creek as the best-played boys game of the day.

With this victory the boys moved into the semi-final round on Saturday afternoon against Battle Creek's number one team. The Battle Creek team had lost only one game all season and won twenty-two. They had just finished winning the Battle Creek City

page 10

Minden Atoms win third series' game

Minden's hard playing O.M.H.A. Atoms put themselves well on the way to winning the final zone championship series with two triumphs over Fenelon Falls this week after a first game defeat, March 28.

Thursday in Minden the Atoms played to a large crowd as they downed Fenelon 4-1. Minden goals split among four good players.

Scoring began in the first period as Kevin Warburton connected on a play from Scott Yake and Greg Newell, at 4:29. Just 54 seconds into period two, Scott Hamilton got the second marker, set up by Greg Newell and Scott Yake.

Fenelon made the score-sheet at the 2:25 mark of the third, when Brian Carpenter scored from Paul Young and Rod Jukes.

Minden worked for two more goals, and at 8:51 and 10:41 marked their successes. Jeff Stamp scored from Doug Schell and Scott Yake, followed by a play to Scott Yake who tipped in the last goal from Jeff Stamp.

Thursday's 4-1 victory left Fenelon looking for a win on Saturday to break the series tie, but Minden played skillfully and came away with a 3-2 win in a close, clean game.

Saturday's game was tied up twice, with goals alternating between the teams.

Minden put the first mark on the scoresheet at 5:50 of the second as Scott Yake and Jeff Stamp assisted Kevin Warburton on goal honors. Fenelon followed up at 7:13 as Steve Bryant and Brian Carpenter got together for a tying marker.

In the third period, Min-

den pulled ahead once more, thanks to the scoring efforts of Scott Yake, well assisted by Kevin Warburton and Scott Hamilton at the 5:48 mark.

With only 1:14 to go in the game, Fenelon tipped a loose puck into the Minden net to bring the tie back at 2-2.

Minden played strongly, and on a final rush by Kevin Warburton, the puck was deflected into the net by a defending player.

The Atoms played good positional hockey on offense and defence right through leaving the series 2-1 for Minden after Saturday. A game Monday determined whether the teams would play again Tuesday, or give Minden top honors in the zone.

Fenelon Falls wins to tie atom series

The Minden O.M.H.A. Yake Electric/Red and White Atoms took it on the nose Monday night in Fenelon Falls, allowing Fenelon Falls to tie the three out of five game series at two games apiece, with a 7-3 defeat handed down to Minden.

Better than 100 fans were at the Fenelon Falls arena to cheer for Minden, including supporters from Lindsay, the 84 passengers that travelled by bus from Minden and those who went by car.

Minden's Scott Hamilton opened the scoring at the 4:48 mark of the first period, picking up the puck from Robby MacLeod and Kevin Warburton.

With two goals following Minden's one, Fenelon tied the game and pulled ahead to a 2-1 lead before the first

period closed.

In the second, Minden again made a scoring success as Kevin Warburton netted a shot from Jeff Stamp and Paul Walker at the 2:22 mark, but once again, Fenelon took two more goals before the end of the frame, setting the total now at 4-2.

In the third period, Minden played harder, but missed the breaks. Fenelon scored just 1:28 into play, and Minden countered at 2:45 with a goal going again to Scott Hamilton, assisted by Scott Yake and Carl Alexander.

Fenelon put away two more goals as the game closed, scoring with 2:22 and .53 remaining. Minden's goalie was out of the net in the final minutes and Fenelon's last shot went into an unattended goal.

There were few penalties taken on either side, with one going to Minden and two to Fenelon Falls.

Fenelon played their advantages and won the victory fairly. The two teams met again last night to determine the series, on Minden's home ice, with any luck, a more favourable spot for the Minden team to finish their winning season.

County Council

County Council of the Provisional County of Haliburton assembled in the Council Chambers at 10:00 a.m. with Warden Robert J. Vick in the Chair, and all members in attendance with the exception of Reeve Gary Agnew, absent through illness.

The Word of God

by Brian V. Sullivan

A study in the life of Christ would not be complete without a consideration of the life and work of John the Baptist. In Matthew 3, verse 1 beginning, we find: "In those days came John the Baptist, preaching in the wilderness of Judaea, and saying, repent ye: for the kingdom of heaven is at hand. For this is he that was spoken of by the prophet Esai, saying, the voice of one crying in the wilderness, prepare ye the way of the Lord, make his paths straight." Matthew, the inspired writer, has just shown us who the voice in the wilderness was. John the Baptist, according to Matthew, was the fulfilment of Isaiah's prophecy. This shows us that God had planned for there to be a forerunner many years before the actual birth of John.

Again, in Matthew's gospel, this time Chapter 11, verse 10, we find Jesus speaking -- "For this is he, of whom it is written, Behold, I send my messenger before thy face, which shall prepare thy way before thee." Here, Jesus has clearly identified John as the subject of Malachi 3:1. In the same context, just a few verses further on, Jesus states: "And, if ye will receive it, this is Elias, which was for to come." This is an indirect reference to Malachi 4:5. Once more, Jesus relate that to John.

These three prophecies that we have set forth have pointed to the coming of John. He is to be: "the voice of one crying in the wilderness" of Isaiah 40:3; "the messenger to prepare the way" of Malachi 3:1; and: "the Elias who would precede the Lord and turn the hearts of the people" of Malachi 4:5-6.

The events that take place before John's birth, are set forth in detail by Luke. The scene is set as Luke declares that Herod was king of Judaea. By this time, the Roman rule of the people was grievous. The Jewish people looked for a deliverer. Their problems were not limited to Roman oppression. Grecian, or Hellenistic influence had come into their religion. There were many corrupt leaders, even among the priests. Yet, as is always the case, there are some who remain faithful. Such is the couple that were to become the parents of John.

His father was a priest of the course of Abia, his mother a daughter of Aaron (Luke 1:5). Verse 6 declares: "And they were both righteous before God, walking in all the commandments and ordinances of God." They were good people, but they had no children and were both well on in years. All this was soon to change! (to be cont'd next week).

one to learn to use the TOSC system, a costly and delicate item which has been given to him since. The ground-work for his work with answering and monitoring services was laid at Lindhurst.

Other instances of help he has received, like a campaign to buy him an electric wheelchair, brought in a response from a large group, many unknown, who saved something like \$900,000 in Dominion cash register tapes to have that company donate the chair.

Rob seems to accept the help he has received in good faith, and with a great deal of enthusiasm. He is putting the assistance and his own initiative to good use, setting up a viable business operation that, as any business in a community does, serves others while it benefits its owners.

Rob is moving and in the right direction.

Smiley from page 2

suggest I am stupid if I don't rush right out, buy a lottery ticket, and become an instant millionaire.

And just the other day I read in the paper that the South African doctor who started the heart transplant game is prepared to use baboon hearts, if there are no human ones available. No thanks, doc. You can give me the heart of a pig or a chicken. Either would suit my personality. But have you ever seen a baboon from the rear? Who wants a great, flaming, orange bum?

Newspapers tell me that the Canadian farmer is going down the drain. I go out for a quart of milk and it's gone up a nickel since yesterday. Some drain.

Everybody is talking about forthcoming elections. This scares me too. I can't stand the politicians we have now. Why replace them with losers?

Well, today I decided that I've had enough. I'm sick of being frightened half to death.

If the human race, at least in the Northern Hemisphere, is going to perish for lack of heating, I'll move south.

I'm going to go on smoking, and will donate my lungs to a chef who will write a cookbook specializing in smoked lungs on toast, with truffles. Maybe I'll get senile from drink, but it's a lot more fun than just getting senile.

If I'm going to die, why worry about my old age? I'll take a steak now and let the dog food look after itself.

Let the feds throw me in jail over my income tax. I'd enjoy eating at somebody else's expense for a change. And you get weekend leave, anyway.

If Quebec separates, I'll rip out the phone, which I'd love to do, and stop floating those billion-dollar loans, which I seldom do anyway.

If I can't get a job, I'll go on unemployment insurance, and laugh all the way to the poolroom, with the rest of the boys.

News from Extendicare

BY CHARLES PLEWMAN

"HAPPY EASTER"

One thing persons miss when they come into a nursing home is their independence. Previously they have been able to do what they like, now they find that there are regulations to be followed and that their physical condition is such that they have become dependent.

Quebec and the other provinces want more independence, so does Margaret Trudeau. Independence is alright up to a point but if it makes you self-centred and less interested in your family and in the needy all around you it is bad. Of course there is the other extreme when one so lacks "intestinal fortitude" or, if you will, guts that they can't make decisions and forever leaning on others.

If we here want to be reasonably happy, one should try to help the other fellow and endeavor to fit into and become a part of the ongoing life of the home.

But man is a gregarious animal and one that should live happily with and for others. This is what makes friendship. Friendship is that something which gives warmth and satisfaction to life. In the final analyses we are all interdependent. That is something that this poor war torn world of ours still has to learn. Too many people and countries are saying "I have no need of thee."

Big Brother keeps an eye on us - Mrs. Warren a nursing home inspector from the Ministry of Health, Queen's Park, spent Monday checking up on our nursing practices and the kitchen. She said that she felt that the attitude of everybody was great and that the participation of the residents in Horticulture etc. was excellent.

We regret to report that Jake Gill our popular storekeeper and President of the Happy Gang has returned home. Charlie Welch is succeeding him as Manager of the Country Store.

One of our most valued residents is Ezra Lott. Ezra Lott is a bachelor 75 years of age. He says he did not marry because he was on the move too much and money was scarce. He recites and has a very retentive memory. One of his jobs is delivering the mail. I asked him how he liked Extendicare. He replied "I like it. It is my home. I like the meals and the friendly attitude of everybody and I feel that I am among friends."

On Monday morning we had a good time playing games and exercising, with our discussion periods getting more and more interesting. Bingo was popular on Tuesday the 29th. All day Wednesday Mr. Dowdall was here to check up the condition of the residents' eyes. Also on Wednesday we accepted an invitation from George Tipton and five of us went to West Guilford to see a very remarkable horticultural establishment. One group very much enjoyed the afternoon.

Our Devotional Period on Friday, April 1 was led by the Rev. Don Nicholson of the United Church. He built his little talk around Palm Sunday and the adoration of the people. We may be depressed at times, we should remember that we don't face our problems alone, that Christ is still with us.

PERSONALS: Dr. Anderson says he is very pleased with the growth that has taken place in the cuttings and seeds which he planted several weeks ago in our fluorescent light units.

To the Funeral Home in Gooderham, our many thanks for the lovely flowers. Our recent arrival is Mrs. Florence Burk who is from Ingoldsby, Ontario. One Sunday afternoon we were guests of the Haliburton Figure Skating Club. It was nice to see so many children taking up this interesting past time. The show was called the "Spring Break."

An Oldtimer can remember when Parents and Baby Sitters were the Same People.

\$3,230 raised in Rotaryskate-a-thon

Minden's Rotary Skate-a-Thon drew participants from across the county to the Minden arena on Friday, where pledges amounting to a grand total of \$3,230.01 were entered in 50-50 support of 14 clubs and the Minden Rotary.

The public school was the first to send over skaters of all ages, grades two through eight, plus teachers, to complete the 60 turns of the ice. The children raised a large part of the final total, skating from 1:00 until 3:30 p.m. to bring in pledges adding up to \$2,225.00.

Adults young and old, and energetic school age skaters who wanted another chance, skated 60 laps when they chose, from 6:00 to 9:00 p.m.

The Skate-a-Thon even brought out a dozen residents of the Hyland Crest Senior Citizen's home and probably the oldest to enter, Carrie Pierce, who at 104 years old didn't even seem to notice the cold. The leg work for the senior citizens was done by Mark Schell, who manoeuvred a wheelchair for them, around the ice, and by Dr. Pierce, Hyland Crest's physician, whose laps counted for the home.

The public school was the largest group represented once final pledges of adults and children were counted. They raised a total of \$1,686.00 to be split between Archie Stouffer and the Minden Rotary Club.

Archie Stouffer principal, Stuart Baker, explained, as he tightened some skates for a resting youngster, that the money will be used for recreation at the school and will go especially towards the cost of bussing for field trips.

The Kinsmen Club of Bancroft totalled \$375 in pledges for the honour of raising the second largest amount of money, and the Minden Boy Scouts were not far behind with \$281 pledged.

The Rotary Chairman of the event was Bill Carrell. Money taken in by the club, through the Skate-a-Thon, will all flow back to the community through Rotary's recreation and service programs.

The support that so many gave will ensure that there will be benefits to everyone.

The breakdown of pledges is: Minden Figure Skating Club \$52.20, Minden Minor Hockey \$79.01, Red Cross Society \$53.20, High School Senior Band \$68.40, Minden Boy Scouts \$281.25, Minden Brownies \$17.20, Minden Beavers \$55.50, Minden Girl Guides \$64.20, Bancroft Cubs \$30.00, Bancroft Kinsmen \$375.00, Hyland Crest \$100.00, Youth Bowling Club \$245.65, Archie Stouffer Public School \$1,686.00, Rotary Minden \$85.60 and Minden Club \$5 \$36.80.

Chamber

from page 2

able to pick it up at your local store, restaurant, etc. shortly. We are also making the final arrangements to have a Haliburton area map printed, which will be available for free distribution for the summer. This was the item most frequently asked for by tourists at our office last year.

Members of Haliburton Rotary, Minden Kinsmen and the Chamber of Commerce held a small meeting last week to discuss the possibilities of a County Wide Winter Carnival. These groups met initially because they are the ones currently involved in running winter carnivals. It was decided at this meeting that no further move would be made at this time to undertake a County Wide Winter Carnival that has been suggested by the Chamber. Instead it was suggested that the Chamber undertake a promotional programme of four to six weeks winter activities in the County. This would mean that the Chamber would promote whatever is taking place on winter weekends over a specific period of time and put it in one package. With good co-operation from groups throughout the County who wish to run winter events possibly we can still attain some of the benefits that we had hoped to attain through the operation of a County wide Winter Carnival. It will certainly require a high degree of long ranged advanced planning by all groups concerned.

Jayne Northgrave, at the Canada Manpower Outreach Office in Haliburton tells us they have been very busy and they do currently have openings for

both summer and year round employment available. Students are urged to register at the Manpower Office for summer employment as there will be a considerable number of openings forthcoming through the Canada Works program that are now being approved. Since no advertising budget was allowed in the operational expenses of the Canada Manpower Office here we are certainly indebted to the Minden Progress for their public service ad that they are currently carrying each week showing jobs available. Jayne also tells us that she has been working closely with Bud Beach who comes to our area from Welland and has just opened Harcourt Wood Products in the Wilberforce area. They are currently employing eight to ten people and expect to employ approximately 30 within two years. A very welcome new industry which we certainly hope prospers here in Haliburton.

There at it again over in Wilberforce. They just run one successful event after another, their fund for the new arena is climbing in leaps and bounds. This Saturday April 9th will be the first annual Maple Syrup Festival in Wilberforce with Maple Syrup Demonstrations from 9 till 3 in the afternoon, a Sugar Bush Tour, Pancakes and Sausages, Maple Syrup and Maple Sugar Candy for Sale. A Flea Market will also be held, with local handicrafts, gifts and bake sale. All this will be topped off with a big Festival Dance in the Lloyd Watson Memorial Hall in the evening. Don't miss it, we can guarantee you'll have fun and you'll help a worthy cause.

Congratulations to the Teljeurs' of Deer Lodge who just brought home a new baby from the hospital. After two boys, they waited 11 years to make sure they got it right the third time. They got it right, this time it's a girl.

Lenten Cantata

A Lenten Cantata, comprised by Theodore Dubois, was beautifully performed at the Haliburton United Church by the 20 member choir of the Carnarvon United Church, on Friday.

Under the direction of Marilyn Stouffer, who has assisted the choir in performances such as this, for five years, since she moved to Hall's Lake, the choir has been practicing the cantata of solos and chorus pieces since Christmas.

The product was more than worth waiting for and was strongly spiritual, as well as technically excellent. The choir will sing again on Good Friday, at the Carnarvon United Church, at 8:00 p.m. for any who missed the first performance or for those who hope to hear it a second time.

The Reverend, Trevor Denney was a guest baritone soloist from St. George's Anglican Church in Haliburton. He was joined by soloists Catherine Kinsman, Candice Johnson, Mary Doey, Ray Johnson, Les Clark, Carl Doey and Dick Stouffer. Bill Gliddon contributed his special help as organist.

Every singer deserves credit for belonging to a group that has worked so hard and has had such fine results.

As Mrs. Stouffer observed it was good for those in the choir to work with others from different churches. From the point of view of anyone who heard the Cantata, the point is easily conceded.

The songs were composed around the seven last words of Christ, and were sung in a lowly lit church, silent except for the sound of the singing.

Homemaker service

from page 1

projector, to Mrs. Tallman for operating the projector, to Lois Whittaker as recording secretary, to Mrs. Pat Angiers for travelling from Lindsay, to Mr. Alan Stott for his fine efforts and interest, to Mrs. Betty Spry, Regional Vice-President, Miss Nancy Mellon, Ontario Division, to Dysart Council for the use of their very fine council chambers and to the Haliburton Branch for providing a very delicious lunch.

The preparation and training, in fulfilling the responsibilities of a Supervisor are quite extensive.

The newly appointed committee are fortunate in having a supervisor that has had wide experience with the Homemaker service through her service with the V.O.N. and as a V.O.N. nurse, plus her wide experience in local Red Cross Hospitals.

Shirley's ability to cope with the many diversified situations in the call of service will add greatly to the services provided by Homemakers across Haliburton County. The interest shown by Homemakers, in each area, will provide a

457-2100

Ottawa Report

by MP Bill Scott

The federal budget tabled in Parliament last Thursday was a great disappointment, in that it does not even come close to dealing with any of the serious economic problems that we have been burdened with for so many years.

We in the Official Opposition have been asking for a budget that would come to grips with unemployment, and one that would stimulate the national economy. Last week's budget does not accomplish either one of those objectives.

There are presently 933,000 unemployed people in Canada, and that is only the number who still register in manpower offices. The actual figure is probably over one million.

The government's answer is to add one hundred million dollars to the Canada Works and Young Canada Works programs. These programs are similar to LIP, providing low-paying, short-term jobs, after which those people will be back on the unemployment rolls. The total budget for these two programs in the coming year is now 458 million dollars.

Finance Minister Macdonald said that these programs will provide 150,000 jobs in the coming year, but what he does not say is that there will be 225,000 more people coming into the work force, added to those already unemployed. Obviously, the government's make-work programs fall far short of what is needed.

We had asked for tax cuts across the board, and we wanted to know how the government was going to deal with the Anti-Inflation Program. All we learned was that it will be with us at least until next October.

Because of the wording in some of the items in the budget, we won't know exactly how they will work until the actual legislation is tabled later on, but we do know that there are not going to be any significant tax cuts.

Canadian families in the lower-income bracket will get some tax relief in the form of tax credits for children. The credit will be \$50.00 for each dependent child 18 years old or less, up to a maximum of \$500.00. This means that a family of four, with an annual income of not more than \$7,350.00, will not have to pay any taxes.

The allowance for business expenses, tools, meals, etc., presently fixed at \$150.00 a year, will be raised to \$250.00, effective for the 1977 taxation year.

Another item of interest is the provision whereby proceeds from the sale of a farm or business will not be subject to the capital gains tax if the proceeds are re-invested in a farm or other type of business. However, this does not take effect until after January 1st, 1978.

I had hoped to see more provision in the budget to give direct assistance to the small businessman. More than half of the labour force in Canada is hired by small businesses and I believe that more incentives are essential in this area. In our part of Ontario, for example, the DREE Program is not even applicable.

For some time I have been protesting the fact that it is difficult and often impossible for small businessmen to secure a small business loan at preferred rates. Although the Government has recently created a Ministry of State for Small Business, specific programs and incentives which will also apply to the service industry are needed. I feel that more attention should have been given to this new Ministry and the needs of the small business community. Hopefully, specific legislation will soon be forthcoming which will fill these needs.

Floor hockey

Championship. This set the scene for one of the classic floor hockey games of the whole tournament. The quote from the Battle Creek newspaper best describes the action of the game. "Battle Creek's city champs controlled the action most of the way but couldn't get any of their 23 shots past tiny Billy Whittaker, who jumped and jerked all over the goalie's box, turning in one of the strongest individual performances of the tournament. He got a lot of help from guard Stephen Smith." Haliburton's lone goal was scored in the first period by Paul Vuksic. The action throughout the whole game was fast and end to end.

Haliburton came face to face with the Peterborough Sportland team on Saturday evening for the championship game. A crowd of 2,300 fans was on hand as Peterborough defeated Haliburton in an exciting game 6 to 3. Sean Hill and Gord Davey scored twice for Peterborough. Paul Vuksic had two Haliburton goals.

Davey's first goal was the only one in a well played opening period. Charles Teljeur's wrist shot into the top of the net tied it up early in the second period. Then Peterborough went to work. Greg Allen's long high shot made it 2 to 1. David Faul sent a beautiful pass Davey's way and it was 4-1 late in the second period.

Haliburton came back early in the third period on Paul Vuksic's two goals to narrow the margin to 4-3. However, Hill scored two goals for Peterborough to give them their fifth championship in a row.

Mr. Baker and Mr. Scott would like to commend the boys on their fine floor hockey play, the sportsmanship they displayed in winning and losing, and on their overall gentlemanly behaviour throughout the trip. They certainly brought recognition and respect for the area of Haliburton.

International Floor Hockey is a game that was developed in the United States as an alternative to ice hockey.

The first indoor hockey games introduced under an organized recreation program were played by school children in Battle Creek, Michigan, in 1962. This new athletic program was developed and instigated by Tom Harter, Director of Civic Recreation of that city who devised the simple rules of the game, instructed athletic directors, physical education teachers and coaches, and loaned them equipment for beginning instructional sessions. The program proved so successful that at the end of the year there were 43 teams playing in an organized league. By fall of 1963 interest had spread to the school systems of several neighbouring towns in Michigan. Now, indoor hockey is known and played coast to coast in America and is rapidly spreading in Canada.

Given the positive attributes of indoor hockey, there is little wonder that the game became so popular, so quickly. The rules are simple enough to be taught in 15 minutes; the game is adaptable for play in any gym and equipment is simple, durable and inexpensive. Aside from these practical features, and of utmost importance to parents, educators, and the kids involved, this game gives valuable exercise, under safe conditions, to boys and girls of almost any age,

IMPAIRED

William B. Todd, of Minden, entered a plea of guilty to a charge of impaired driving when he appeared before the provincial court in Minden, March 29. He was sentenced to 14 days in jail for a second offense.

\$435 IN FINES

Murray Stuart Walker, of the Buckslides Road North,

of Minden, was before the provincial court in Minden, March 29, to enter pleas of guilty to six counts laid against him from October to December of 1976 and received a total of \$435 in fines.

Seventy-five dollars of that amount was called for a plea to failure to report damage that occurred as the result of an accident. Walker also pleaded guilty

to impaired driving and was ordered to pay \$120 and costs. A fine of \$75 was brought down for the offense of having an open bottle of liquor in his vehicle and \$50 was set as the fine on each of three counts of breach of probation.

TRIAL BY JUDGE

AND JURY

ON WEAPON COUNTS Two brothers, Steven Rogers, of Toronto and Fred Chaley, of Scarborough, were committed for trial by judge and jury when they appeared before the Minden provincial court, March 29.

The two faced charges that were laid as a result of an incident Sept. 26, 1976, at Chaley's cottage on Little Kennis Lake, when Rogers received a gunshot wound.

The OPP report that the incident took place early Sunday morning in a confrontation between the two brothers that involved a shotgun and a knife.

A date has yet to be set for the hearing of the trial at the general sessions in Lindsay.

Chaley and Rogers both face a charge of possession of an offensive weapon and Chaley faces an additional charge of wounding.

IMPAIRED

Gary A. Nicol entered a plea of guilty in the provincial court in Minden,

March 29, to a charge of impaired driving laid on Highway 35. The judge called for a fine of \$210.

THEFT UNDER \$200

John M. Hopkins, of no fixed address, entered a plea of guilty to a count of theft under \$200 when he appeared before the court in Minden, March 22.

His case has been set over to April 19 for sentencing, at which time a pre-sentence report will be available.

The incident occurred at the home in West Guilford where Hopkins was boarding at the time.

JOINT MISCHIEF CHARGE Douglas C. Reid and George A. Willoughby, of Toronto, entered pleas of guilty to a joint charge of mischief before the Minden provincial court, March 22.

They each received a fine of \$50 and a probation of six months. The charge was laid as a result of damage done by the two to a fish hut that they had rented on Gull Lake.

IMPAIRED

Phillip Sawyer, of Keswick was fined \$100 for a count of having greater than .08 alcohol in his blood while operating a motor vehicle. The fine was set at the Minden provincial court, March 22, and is accompanied by an automatic suspension of his license.

IMPAIRED

Samuel Dicks, of Toronto, pleaded guilty to a count of impaired driving, before the court in Minden, March 22, and received a fine of \$180 for the offense and a suspension of his driver's license.

PRELIMINARY

CONTINUES

A preliminary hearing, begun March 15, at the provincial court in Minden, into the charges against Beverly Parish and Robert Vickery of Haliburton, is still continuing in Lindsay.

The two face charges of arson and have been before

St. George's

from page 3

and darkness that surround Christ's last hour. The Christian message comes clearly through Artaban as he discovers in the darkness of the final day that there is hope and life.

The case is comprised of 22 members of the St. Georges and St. Andrews churches who worked under director Bill Gliddon to produce and present a production that is well worth seeing. It was performed Saturday at St. George's, Monday at St. Andrew's, West Guilford and will be shown again this evening at St. George's.

the court since April 27, 1976 as a result of an incident at the beginning of February last year. Parish also faces a charge of

attempted fraud, connected with the burning of the Parish home in the incident that called down the charges.

PC caucus on small business

A special Progressive Conservative Caucus Committee on Small Business will be holding a public forum in Peterborough on Wednesday, April 13, at 7:30 p.m. at the Prince of Wales School on Monaghan Road and Sherbrook Street.

The Committee is comprised of 5 M.P.'s each of whom has a background in small business. Marvin Shore (M.P.P., London North) is the Chairman and the other members include Frank Drea (M.P.P., Scarborough Centre and Parliamentary Assistant to the Minister of Consumer and Commercial Relations), Bill Hodgson (M.P.P., York North and Parliamentary Assistant to the Minister of Housing), Doug Wiseman (M.P.P., Lanark and Parliamentary Assistant to the Minister of Health) and Jack Johnson (M.P.P., Wellington-Dufferin-Peel).

The chief aim of the Committee will be to recommend methods by which

government can better serve the interests of independent businesspeople.

The interests of the Committee are twofold: to elicit as much information as possible about the specific problems of small business and to hear the proposals of those engaged in small business for innovation and reform.

Although written briefs are welcome, they are not necessary, as interested parties are encouraged to simply come and make their views known.

Two are charged in area

During the week of March 29 to April 3 members of the Minden Detachment of the Ontario Provincial Police charged one person with a Liquor Licence Act violation and one person with a Narcotic Control Act offence.

Red Cross

from page 9

greater coverage with less mileage travelled. The efficiency and continued service will be determined by the use made of it. The new telephone number is 448-2499. Your supervisor devotes a certain portion of her time on administration and supervising in the

patients home. For this reason, you may not receive an answer at all times. This is the first time in Red Cross history that three branches have united in a programme county-wide.

Haliburton County has made another first. May we continue to support it.

Minden News

by Jeanne Sears

At the L.O.B.A. Card Party at the Orange Hall, March 27th, winners were Lones Hands Trudy Coulter (on a cut) and Edna Trumbull, Annie Cox and Phil Robinson. After the games everyone enjoyed a social half hour and the delicious lunch served by the ladies.

Congratulations to Mrs. Alvin McCracken who won the Jackpot of \$250 in 58 numbers at Rotary Bingo last Thursday night.

Guest at the moment with Nellie and Harry MacMinn is Mrs. E. Richardson, of Oshawa.

Their friends send good wishes to Mrs. Wallace Walker and Mrs. Cecil Burk who are patients at Ross Memorial, Lindsay and to Shirley and Jack Daniel who are just home from hospital.

Leitha and Jack Grexton are away on a holiday; they visited Sgt. and Mrs. Claude

Schrader and Stephen at Weitenung, Germany and planned to visit Minden, Germany. They enjoyed a 6 day tour of Switzerland and will be in Netherlands Easter week.

At the Weekly Mini Card Party, at the Parish Hall, last Thursday afternoon, winners were for bridge Florence Cooper, for cribbage, Anne Dawson and Fred Wright; for euchre lone hands Lillian Davidson and Mae MacArthur and May Wright. There will be no card party this Thursday but by choice, the next card party will be Wednesday, April 13th at the regular time.

Eileen and Keith Hughes spent the weekend with Mr. & Mrs. Bob Robinson at Granby, Quebec.

Sincere sympathy goes to the families and friends of the late Florence Gill and John Hewitt who passed away last week.

from page 7

size, and physical skill. The players find the action fast and fun and the competition of the play is between teams rather than focused on individuals.

Indoor Hockey has the action, excitement, skill and competition that all young people love. The game is easily mastered by boys and girls 8 years and up. Because the game is simple, safe and emphasizes alertness and movement, rather than strength or height, it can be played with success and enjoyment by both the unskilled player and the adept athlete. Boys and girls small for their ages, the seriously overweight, the handicapped, the timid - all find a place in this new sport. A boy suffering from after effects of polio has made a star goalie as has a boy so short and heavy he could scarcely play another. A boy of 100 pounds has beaten out a 6 ft. basketball star for Centre on an All-Star team.

The game is played indoors in an area enclosed by boards 4 ft. high. The area is usually 50 ft. by 75 ft. and is divided by a centre line.

There are six players on the floor at any one time for each team. These players have designated areas in which they can play. The goaltenders must stay in their crease area, and no other player is allowed to enter or play a puck in that area. The two defencemen must stay in their defensive zone at all times, but they may shoot the puck the full length of the floor. The two forwards must stay in the offensive zone at all times and may pass the puck back to the defensive area if they wish. The centre is called a rover, he being the only player allowed to travel to any area of the playing floor.

Plastic sticks and a plastic puck are used in this game which is won by the team scoring the most goals on the opposing net minder.

Monmouth News

by Pearl Foster

Those celebrating birthdays this week are Bob Manary Sr., Mike Rutter, Clifford Godfrey, Carol Bamford, Jayne Godfrey, Derrick French, Blair Linkert and John Mitchell.

Elmer and Marion Scott celebrate an anniversary this week.

The community was saddened last week by the passing of Mrs. Elouise Welsh, wife of A (Paddy) Welsh, eldest daughter of Mrs. Vera Brooking, Tory Hill.

Paddy & Elouise Welsh had returned to this area about 2 years ago, after living in the Bowmanville area for many years.

Mrs. Welsh is survived by her husband, 2 sons and 3 daughters, and grandchildren.

The funeral was held at the Tory Hill United Church with Rev. Nicholson officiating.

NOTICE

BOWMANVILLE ZOO

will be open daily

as of

APRIL 13, 1977

from 10 a.m. till dusk

Spring is in the air and already there are baby zebras, camels, aoudads, llamas, monkeys, goats and donkeys with many others expected shortly.

If you are planning a school outing write or give us a call. Admission for groups of 15 or more is still only 50¢ a person on weekdays. If you book ahead the children can complete a happy trip with their choice of 2 rides (merry go round, boats or buckets) for an additional 25¢.

Enjoy a pleasant day at the Zoo soon --
Located directly on Highway 2
just east of Bowmanville
Write Box 154Phone [416]623-5655

Clip this ad and we will allow you a 10% discount on regular family admission upon presentation.

Some Government operations are to be relocated in the area east of Metro Toronto. This relocation, first promised a year ago, will hopefully encourage other development to move east rather than locate in Metro. Greater efforts are to be made to reforest Crown Land to create jobs and improve the economy of Northern Ontario. An inventory is to be conducted of abandoned mines which could be a source of water and air contamination, and provincial funds are to be used where necessary to clean up these sources of pollution.

More money is to be allocated for sewage treatment works in small communities in eastern and northern Ontario and create a central monitoring unit for research and control of dangerous chemicals, such as mercury and lead.

The Provincial Auditor is to be given more staff to assist in the annual review of government spending, and procedures are to be established to deal with complaints against members of police forces throughout the province and to set up a code of behaviour for police.

A province-wide physical fitness program, using Wintario money, is to be introduced. The object is to promote various community athletic programs, partly with an eye to reducing hospital costs.

All in all, the Throne Speech is a very positive document. Our main concern is for the welfare of the people of Ontario, and if the government's proposals are feasible and financially practical, no-one will be more pleased than the Members of the Legislature, whatever their political affiliations. However, we shall be very interested to hear the specific details, and no

doubt these will be made available to us in the weeks ahead.

One measure announced in the Throne Speech was the "effective co-ordination" of provincial services for children with special needs, and the formation of a single, integrated organization in the Ministry of Community and Social Services. Liberal M.P.P. Margaret Campbell has called for "all embracing" reform of provincial legislation covering the care of disturbed children, because the present legislation shares the responsibility between the health ministry and the ministry of community and social services. Mrs. Campbell called a press conference to present a Liberal policy paper, several months in preparation, calling for services to be pulled together under an umbrella division and for standards, licensing and funding to be made uniform.

See you next week.

Warren Aggety - 14 miles and Becky Davidson - 12 miles.

Orders are now being placed for school jackets. This year's jacket will be kangaroo style, with the school crest, and will come in navy, red, green and baby blue.

Our girls' gymnastic team, under the direction of Miss Johnson, participated in an invitational meet at I.E. Weldon on Wednesday, March 30. The team has worked hard all year and were able to make an outstanding effort.

Lindsay Presbyterial

from page 5

"That the Lindsay Presbyterial U.C.W. request the Bay of Quinte Conference U.C.W. to set up a Task Force including some one from the National Division of World Outreach to investigate the feasibility of inviting a Missionary to the Bay of Quinte Conference and that a letter be sent to the Conference Division of World Outreach informing them of our action today."

This resolution was passed unanimously.

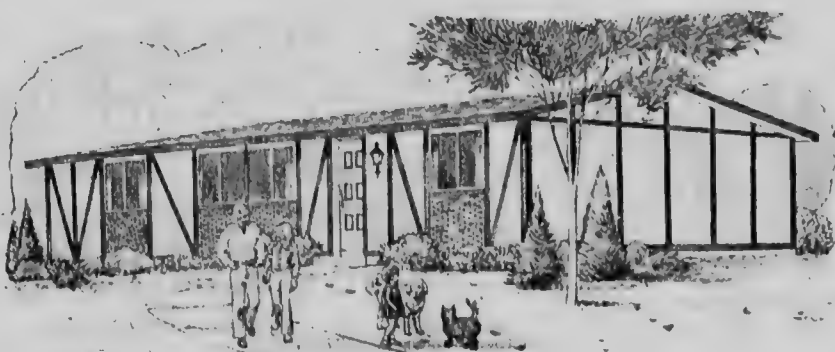

Mrs. Marion Davis, President of Bay of Quinte Conference U.C.W. brought greetings and urged us to compare and re-assess our meetings regarding time spent on important and not as important issues. If not satisfied we should make changes.

Mrs. Burton Upton, Oakwood, read the Nominating Report.

The Election and Installation of Officers for 1977 Executive was conducted by Rev. John Carbert of Lindsay Queen St. United Church, Chairman of Lindsay Presbytery.

The closing Hymn was "Mine Eyes have seen the Glory of the Coming of the Lord" followed by the Courtesy Report, the U.C.W. Purpose, and the Benediction.

BY-LAW 1004
Road Allowance Closing: Monmouth Township

THAT By-law 1004, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of

confirming By-law 77-4 of the Corporation of the Township of Monmouth.

Continued next week

As others see it

from page 4

The key word here is "conciliation". If the rest of Canada does not approve of everything agreed upon, it would still be infinitely better than breaking up.

Look what happened in the United States under similar circumstances -- Civil War.

The greatest danger will come from the Extremists, the die-hards, and even the "rank-and-file", who never have walked in a French-Canadian's shoes and are just plain ignorant. Premier Bill Davis is a moderate and the kind we need. He is doing a good job in Quebec.

Levesque is quoted as saying, "that any around the table discussions must first agree to accept Independence as a legitimate goal", or words to that effect. If that is so, it is too bad for it leaves little room for compromise.

It is to be hoped that "Moderates" on both sides will get together, before Extremists on both sides upset the apple cart. It is also important that we understand what the issue is. It is not bilingualism (as some suppose), it is who should own Quebec, who should exercise complete control and the right to do what they like. In other words, they want to create a new nation with complete sovereign rights.

HIGHLAND CONSTRUCTION

R.R. #2 HALIBURTON 457-1888

Home of the Week

PLAN NO. 76-864
AREA: 864 sq. ft.
WIDTH: 48 ft.

Plan No. 76-864

A delightful house designed as a starter home for the young expanding family. By leaving the second floor and basement unfinished, and if further economy is required, not erecting the garage, this house should meet the most demanding budgets. In many areas it will qualify for the Government Assisted Home Owners Plan.

The kitchen and dining room form an old style "country kitchen", where the whole family becomes involved in household activities. A sliding glass panel opens to the patio and a direct exit to the garage facilities easy movement of groceries from car to counter.

With a central location the three piece bathroom serves the bedrooms and is convenient to the living areas for guest duty.

The unfinished attic, with a stairway up from the front foyer, will accommodate two bedrooms and a full bath. As space is required and funds are available, expansion becomes a handyman's dream.

Plans for design No. 76-864 may be obtained at a cost of \$50. for the first set and \$9. for each additional set, plus \$3.50 for postage and handling. B.C. residents please include 7 percent sales tax.

Send for the current edition of Select Home Designs Series #33 featuring imaginative decorating and home improvement ideas plus more than 300 quality home plans of every type. Available for \$2.25 (\$1.75 plus 50 cents postage and handling). To order these items please send cheque or money order payable to the Home of the Week. Address to: Home of the Week, c/o Haliburton County Echo, 382 West Broadway, Vancouver, B.C. V5Y 1R2.

Ed Fujar
Balliff
Dated 28th day of March 1977.

IN MEMORIAM

BULL - In loving memory of a dear mother and grandmother, Vera, who passed away April 6, 1974.

What we would give if we could say,
Hello Mom, in the same old way,
To hear your voice, see your smile,
To sit with you and chat awhile.
So you who have a mother Cherish her with care,
For you'll never know the heartache
Till you see her vacant chair.

Sadly missed by daughter Sharon and grandchildren Christopher, Tammy and Dean.

Sadly missed and always remembered by wife Isabel, daughters Rose and Bev, and families.

Help Wanted

College renovating

Subject to final Ontario government approval, acceptance of a \$405,956 tender from Eastwood Construction Co. Ltd., of Peterborough, was ratified March 28 by the Board of Governors of Sir Sandford Fleming College for an addition and renovations at the College's Brealey Drive campus in Peterborough.

Eastwood submitted the lowest of four accepted tenders for construction of a 3,641 square foot, 150-seat lecture hall on the north side of the campus, and alteration and renovation of 13,000 square feet of existing space to create laboratory, classroom and faculty office areas.

Work is expected to begin before the end of April, and be completed when classes resume in early September.

MUNICIPALITY OF DYSART ET AL

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF DYSART ET AL TO CLOSE THAT PORTION OF THE ORIGINAL ALLOWANCE FOR ROAD BETWEEN LOTS 5 & 6, CON. II, IN THE TOWNSHIP OF DYSART.

NOTICE IS HEREBY GIVEN* pursuant to Chap. 284 Sec. 443 of the Municipal Act, that the Township Council of the Municipality of Dysart et al proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, April 11th, 1977, a By-Law to Close, Stop Up and Convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Dysart, in the Provisional County of Haliburton, being composed of the Northerly 400 feet of the original allowance for road between Lots 5 and 6, Concession II, in the said township, and which said parcel or tract of land is more particularly described as follows:

PREMISING that the bearings herein are astronomic and derived from the Westerly limit of Lot 6, Concession III, having a bearing of North 21 degrees, 55 minutes West and referred to the meridian through the South East corner of Lot 15, Concession VIII, Township of Dysart.

COMMENCING at the North Westerly angle of Lot 6, Concession II;

THENCE South 21 degrees 55 minutes East, 400.0 feet;

THENCE South 69 degrees 04 minutes 30 seconds West, 66.01 feet;

THENCE North 21 degrees 55 minutes West, 400.0 feet;

THENCE North 69 degrees 00 minutes 45 seconds East, 33.0 feet;

THENCE North 69 degrees 08 minutes 30 seconds East, 33.01 feet to the point of commencement;

WHICH said parcel or tract of land may be further illustrated, shown in heavy outline on a plan drawn by H.C. Bishop, O.L.S., dated February 14, 1977, and hereunto attached.

AND TAKE FURTHER NOTICE that before passing the said By-Law at its meeting to be held at the time and place above mentioned the Township Council of the Municipality of Dysart et al shall then and there hear in person, or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-Law and who applies to be heard.

DATED at Haliburton, this 14th day of March 1977.

Wayne B. Wood,
Clerk-Administrator
AMCT

Thank-You

I would like to thank my neighbours and friends for their flowers, gifts and cards that were sent to me while I was a patient at Sunnybrook.

Flo Dollo
We of the Minden Novice "A" Hockey team would like to express our thanks for the support of the parents throughout the hockey season, to the women who worked for Minor hockey and prepared a fine meal at the tournament March 19 and to Mr. Jack Austin for his generosity in donating the trophy and prizes won by our teams.

To all my friends, I would like to express my sincere thanks for the cards, visits and flowers while I was a patient at St. Joseph's Hospital.
Special thank you to Dr. Belch and nursing staff. Thank You.
Roger Veinot

Thank-You

A sincere thanks is extended to neighbours and friends for flowers, cards, and inquiries concerning my health while in the hospital. Special appreciation is due - Dr. Good, Dr. May, Dr. Meade, Dr. Clark, Dr. Smith, Dr. Sutherland, Dr. Fraser, Dr. Cheay, and the nursing staff of St. Joseph Hospital, 3rd floor, for good care and a pleasant stay. Also the ambulance drivers and staff of the Haliburton Red Cross Hospital.
Many thanks to Eagle Lake Women's Society and Eagle Lake Community Church and Health Unit nurse Mrs. J. Taylor.
The Lord bless you all.
Alma Peterdous

Thank-You

A sincere thank you to the many friends and relatives for visits, flowers, cards, inquiries, phone calls, etc., during and after the terminal illness of my dear wife, Audrey Douglas, at the Peterborough Civic Hospital. Appreciation is also extended to the medical staff and ambulance personnel at the Peterborough Civic and Red Cross Hospitals in Minden.

Clare Douglas
In answer to our call Saturday, April 2, we would like to thank the Haliburton Fire Department for their prompt and efficient response. We are very fortunate to have such dedicated volunteers.
Merrill & Muriel Bailey

IN MEMORIAM

In loving memory of a dear husband and father Wesley Sawyer, who passed away one year ago on April 5, 1976.

God saw you getting tired,
When a cure was not to be.
So He closed His arms around you,
And whispered, "Come Home to Me".
You didn't deserve what you went through,
And so He gave you rest.
God's garden must be beautiful
For He only takes the best.

Sadly missed and always remembered by wife Isabel, daughters Rose and Bev, and families.

IN MEMORIAM
